

Offer
Risk Insurance / Profit-Tripling Program

1. General provisions

- 1.1. This Offer is an addendum to the Company's Public Offer Agreement and sets out the terms of the Client's participation in the Risk insurance / profit-tripling program, which combines risk insurance and profit-tripling services (hereinafter referred to as the Program).
- 1.2. The Client's participation in the Program implies full and unconditional acceptance of the terms of this Offer and the Company's Public Offer Agreement.
- 1.3. The Program applies to live trading accounts of Clients opened and funded in accordance with the provisions of Section 3 of this Offer.
- 1.4. The Company has the right to set restrictions by geography, account types, client categories, and other quality parameters.

2. Definitions

- 2.1. Client is an individual who has opened a live trading account with the Company and participates in the Program.
- 2.2. Loss is a negative trading result of the Client recorded on the account and confirmed by the Company.
- 2.3. Compensation is a cash payment made by the Company to the Client under the Risk-free trading service for the purpose of reimbursing a confirmed Loss.
- 2.4. Profit Tripling is an additional payment made by the Company to the Client under the Profit Tripling service, which increases the Client's confirmed profit in the manner outlined in this Offer.
- 2.5. Application is the Client's request submitted via a special form in the Program section of the Client Area for Compensation / Profit Tripling.
- 2.6. InstaLot is the settlement unit of trading volume used for this Offer (1 market lot = 10 InstaLots).

3. Procedure for joining the Program and submitting applications

- 3.1. Joining condition. To participate in the Program, the Client must open a live trading account with the Company and make a deposit.
- 3.2. Confirmation of joining. The Client enters the Program automatically on the condition of account opening and deposit funding, without additional action by the Client.
If the account was opened earlier, the Client may join the Program manually via the Client Area.
- 3.3. Application for Compensation / Profit Tripling. The Client may submit an Application no earlier than 7 (seven) calendar days after account opening, using the special form in the Program section of the Client Area.
- 3.4. Frequency of applications. A Compensation / Profit Tripling application may be submitted by the Client no more than once every 7 (seven) calendar days.
- 3.5. The Company may refuse to consider an Application and/or to make a payment if the Company detects violations of the terms of this Offer, the Company's Public Offer Agreement, or signs of abuse (see Section 7).

4. Conditions for receiving Compensation / Profit Tripling

4.1. To approve a submitted Application, one of the following conditions must be met:

- a) the Client attracts deposits from other Company clients in an amount equal to at least 4 (four) times the Loss / claimed Profit Tripling amount;
- b) the Client makes a deposit which is at least 10 (ten) times as big as the Loss / claimed Profit Tripling amount.

4.2. The amount of Compensation is calculated by the Company in minimum increments of \$30 and cannot exceed the amount of the loss.

4.3. The Company may postpone approval of an Application until confirmation that the conditions of clause 4.1 have been met.

5. Procedure for withdrawing Compensation / Profit Tripling

5.1. Withdrawal is allowed when condition 4.1(a) is fulfilled. If the condition is met by deposits attracted from other clients, withdrawal of the Compensation / Profit Tripling becomes possible after the attracted clients execute trading transactions with an aggregate volume of at least 2X Instalots, where X is the amount of the requested Compensation / Profit Tripling.

5.2. Withdrawal is possible when condition 4.1(b) is fulfilled. If the condition is met by the Client's own deposit, withdrawal of the Compensation / Profit Tripling becomes possible after trading transactions with an aggregate volume of at least 4X InstaLots have been executed.

5.3. Payment is made only for confirmed Applications and after successful completion of the Company's quality checks.

6. Applicability to services and treatment of amounts

6.1. Applicability. This Program unites the Risk-free trading service (Loss compensation) and the Profit Tripling service (additional payment to confirmed profit) and applies to accounts connected to one of the specified services (hereinafter — the Services).

6.2. Single claim on an amount. A deposit amount and/or an amount allowed for calculating Compensation / Profit Tripling may be claimed only once and only under one of the Services. Repeating the same claim under another Service, including the Company's affiliate programs and CPA, is not permitted.

6.3. Prohibition of double counting. If a Client's deposit amount has been allowed for calculating Compensation / Profit Tripling under this Program, that amount may not be counted again under other Company programs and services, and vice versa.

6.4. Priority of accounting and resolution of disputes, including technical accounting collisions, are determined by the Company. The Company may cancel or adjust accruals if double counting is detected.

7. Prohibited practice

7.1. Compensation and/or Profit Tripling may be canceled (in full or in part) if the Company detects direct or indirect signs of multi-accounting, a deal between clients to artificially attract deposits, fake trading activity, or other abuses.

7.2. The decision on confirming an Application, the sufficiency of the fulfilled conditions, and

the timing of payment is made by the Company based on internal quality control rules and anti-fraud logic.

8. Rights and obligations of the Company

8.1. The Company ensures the Client's participation in the Program upon opening a live account and funding a deposit.

8.2. The Company undertakes to pay Compensation / perform Profit Tripling for the Client within the Program, provided that the Client complies with all participation conditions, including the maximum frequency and procedure for submitting Applications.

8.3. The Company ensures transparent participation terms, absence of hidden charges within the Program's declared parameters, and protection of the Client's personal data in accordance with applicable law.

8.4. The Company may provide the Client with additional benefits under the Program, including learning materials and market analysis services, without changing its obligations regarding Compensation / Profit Tripling.

9. Changes to terms and termination of the Program

9.1. The Company may change the Program terms, including the minimum Compensation increment, the coefficients specified in clauses 4.1 and 5.1–5.2, timeframes, and limits, by publishing the current version of the terms on the official website.

9.2. The new version comes into force upon publication on the Company's website and/or in the Client Area.

9.3. The Company may suspend or terminate the Program at any time.

10. Miscellaneous

10.1. In all matters not regulated by this Offer, the parties shall be governed by the Company's Public Offer Agreement.

10.2. The Company may request additional information and confirmations from the Client as part of compliance and anti-fraud checks.
